Words and Music by Matthew Lilley

G **Em**
When I'm ready to leave; when I wanna let go
C **G**
There's a seed of love; there's a glimpse of hope
G **Em**
When I wanna back down; when I wanna retreat
C **G**
I can see Your eyes; they are chasing me

Em **D/F** **G**
Like a warrior on a white horse rides
Em **D/F** **G**
Like a thief in the middle of the night You come...

C **G**
Ferocious – You are like a Lion
C **G**
Roaring out of Zion - calling out my name
C **G**
Relentless – You won't let me go
C **G**
I tried to run away but you're always holding on
C **G**
Full of jealous love; Full of zealous love

Em **C** **G**
There's a coal that's burning even when we can't see the flame
Em **C** **D**
There's something changing even when it all feels the same
