

WE CAN POSSESS

By Beaty Bass

C#m7 **E(no3)**
In the wake of who I am, I come unto you
C#m7 **E(no3)**
From the palm of your hand, we've started keep us moving
C#m7 **E(no3)**
You've brought us to this land, I know not to leave us
C#m7 **E(no3)**
Give us faith to possess, from these giants come free us

Bsus C#m7 E(no3)
Send us out, send us out, oh
Bsus C#m7 E(no3)
Send us out, send us out

C#m7 E(no3)
Surely we can possess this land
Bsus C#m7
Surely we can possess this land
E(no3) Bsus C#m7 E(no3)
Doing all that we can to stand, oh, oh

C#m7 E(no3) Bsus C#m7
Confronted by this river Jordan to live or to die
C#m7 E(no3) Bsus C#m7
We throw away all our logic take us to the other side

C#m7 E(no3) Bsus C#m7
Laying hold of all you are, we're going after your great ark
C#m7 E(no3) Bsus C#m7
Your presence God is what we love, take us to the other side

C#m7 E(no3) Bsus C#m7
Like Joshua and Caleb, I know we're more than able
C#m7 E(no3) Bsus C#m7
To possess this land this great reward, take us to the other side
